If you would like your child to attend any clubs, please complete and return the reply slip (attached) to school at your earliest convenience. Where clubs are oversubscribed, places will be allocated on a first come, first served basis with the exception of Cookery Club where priority will be given to children who have not had chance to take part this year. You will be notified as to which club sessions your child has been allocated for the term. **Please would parents ensure that if their child is not attending a particular session of a club that they have signed up for that they let school know in advance.** Where children do not attend two sessions of a club without good reason their place will be forfeited and offered to someone else. All clubs will finish at 4.30pm. Children are expected to display the highest standards of behaviour at all school clubs, just as they would during the school day. Where there is a concern about a child's behaviour in a club, this will be shared with parents. If issues persist, the child's place may be withdrawn.

We are continuing to trial after school clubs free of charge this term and would be grateful for any feedback on this.

Thank you in anticipation

Mrs K. Clark
Headteacher
