Dear Parents,

Each class will be holding family workshops next Tuesday afternoon (2nd February) from 1.30pm onwards. Parents and grandparents are welcome to join children to take part in a range of different activities relating to the curriculum areas that the children are currently studying. Where parents have more than one child in school, they will be able to move between classes to work with their children in their own classes. Please would parents and grandparents enter through the main entrance and sign in. The feedback from the sessions held in December was very positive and we do hope that even more family members will be able to join us this time.

Please would you return the reply slip to indicate how many people are likely to attend so that we can plan accordingly.

Thank you in anticipation.

Kind regards

K. Clark.
