Dear Parents,

You can now make online payments to school for school dinners via instant bank transfer, credit or debit card.

I am pleased to be able to let you know that we have introduced a new service - 'School Gateway'. This means that you will be able to make online payments via the School Gateway smartphone app or website. You will also be able to view school meal balances and top them up at any time.

What you need to do now

Download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website PLUS you can send messages via the app to the school for FREE – this will also save the school money when we send text messages.

OR

Visit the website: www.schoolgateway.com and click on 'New User'. You'll receive a text message with a PIN number. Use this PIN to login to School Gateway.

We'll notify you by text or email when new items are available for payment.

Can't activate your account?

If you're having trouble logging in, it may be because the school doesn't have your current email and mobile phone number on record. Please call the school and we'll update the details on our system.

We hope that you will find School Gateway to be a fast and easy way to pay for school items.

Yours sincerely

K. Clark
