Dear Parents,

As in previous years, after-school clubs for the second half of the Spring Term will be a continuation of this half term's. All children will continue to have places in the clubs that they have had this half term. The only exception to this is cookery and parents of children who took part in Cookery Club in Spring 1 have been contacted regarding preferences for the coming half term. The only change to the after-school club provision is that Sewing Club will be led by Mrs Winstanley and will move to a Monday. Once again, parents of children who are on the list for this club have already been contacted with regard to this.

If, for any reason, you no longer want your child to attend a particular club, please will you let the office staff know so that the place can be offered to another child as many of our clubs are oversubscribed. We do have a few places left in various clubs, if your child would like to attend a club, please contact the school office for further details about availability.

Thank you for your continuing support.

Yours sincerely

K. Clark
