Executive Headteacher: Mrs Gerry Wilson

Tuesday 7<sup>th</sup> February 2017

Dear Parents,

As part of our Maths Week activities, we will be holding a Family Workshop event on Tuesday afternoon (14<sup>th</sup> February) from 1.30 – 3.15pm. We would like to invite all parents and/or grandparents to come and take part. Younger siblings are very welcome to come along and we would ask that they are appropriately supervised.

All of the activities will have a shape, space or measures theme (so there's no need to be an expert at long division!) and will be very practical and accessible for everyone.

We do hope that you will be able to join us and would be grateful if you would complete and return the reply slip below to indicate who will be coming so that we can make sure we have enough resources. If you have more than one child in school, we will arrange for you to spend part of the afternoon in each class.

Thank you in anticipation.

Kind regards

*K. Clark*

Mrs Katherine Clark  
Headteacher

*L. Petitt*

Mr Liam Petitt  
Maths Leader
