Dear Parents,

I hope all the children have had a great half-term break and that they are looking forward to the exciting events and activities that we have planned for the final seven weeks of the school year.

Early next week, Mrs Parker, in her role as English Curriculum Leader, will be working with an external consultant to carry out a full audit of all of our reading books so that we can make sure that all the books are correctly levelled, that they are all of good quality and to enable us to order new books where required, in preparation for the new school year.

In order to be able to do this, it is very important that we have all of the reading books in school. Therefore, **no reading books will be sent home after Tuesday this week and we would ask that any books that you may have at home are returned to school by Thursday of this week.** We will also be having a 'Reading Book Amnesty' - we understand that sometimes, with the best will in the world, books do end up in the strangest of places so, if you happen to have any extra school books that may have escaped from book bags over the year, please do feel free to return these along with more recent ones.

We anticipate that we will be sending reading books home again from Wednesday next week. If, in the meantime, you fancy a visit to the library, the opening times for Hoyland Library are as follows:

Monday	9am - 7pm
Tuesday - Friday	9am - 5pm
Saturday	9.30am - 12.30pm

Thank you in anticipation of your support.
